To the Honorable the Members of
the United States Senate & House of
Representatives in the City of Philadelphia

To the Rector, Churchwardens, and Vestry of the United Churches of Christ Church, St. James's Church, and St. Peter's Church in the City of Philadelphia.

Gentlemen,

It is not without great sensibility that I present to you my resignation of the office of Assistant Minister in the churches over whose interests you preside.

The uniform kindness manifested towards me, both by you and the respectable congregations amongst whom my first labours in the ministry have been employed, has impressed me with the deepest gratitude, and whatever may be the destination of my future efforts will always be recollected with sentiments of the sincerest respect.

Having received, however, an unsolicited and unanimous call to another portion of the vineyard of Christ, which appears to open a more advantageous field of usefulness in its restriction to the superintendance of a single congregation, than can be afforded in the collegiate charge of several, I have believed it my duty to submit to the exchange

under a humble belief of it's according with the will of Divine Providence, and this though a painful, becoming, a necessary act of obedience on my part.

I solicit, therefore, the favor of your adopting the requisite measures for a legal and canonical dissolution of my present connexion with the united Churches.

Be pleased, Gentlemen, to receive individually my ardent wishes for your personal happiness in time and in eternity, and for the spiritual prosperity of the churches under your care, and believe me,

Your Obedient Servant, and
Christian Brother,

James Milnor
